PROFESSIONAL EXPERIENCE

SEO Specialist | HiveNexis

Sep 2024 – Present

- Ranked client websites including Nebula Wellness, Snu Gyz, and Pet Zela on high-intent keywords, strengthening domain authority and organic visibility.
- Perform in-depth keyword research and competitor analysis to target high-intent keywords and content gaps.
- Optimize blog content, meta titles, and meta descriptions to improve organic rankings and click-through rates (CTR).
- Build high-quality backlinks through guest posting, citation submissions, and strategic partnerships.
- Improve site performance by enhancing page speed, resolving crawl errors, fixing indexing issues, and optimizing XML sitemaps and robots.txt files.
- Manage local SEO by optimizing Google Business Profiles and ensuring NAP consistency across directories.
- Conduct detailed site audits using SEMrush and Google Search Console and deliver monthly performance reports.

SEO Intern | HiveNexis

Jun 2024 – Aug 2024

- Completed a 3-month SEO internship working on the Lux Ryder project, gaining hands-on experience in on-page optimization and off-page link building to improve search visibility.
